

Thanks to Your Support for Loving Classroom South Africa

Our rainbow nation is providing a role model. This is our opportunity to heal our own wounds of division and become an exporter of peace and well-being for children around the world.

Our Work

- Is inspired by and dedicate to the vision and role model of our nation's founding President Nelson Mandela who is an inspiration to the world.
- Strengthened tolerance and the Spirit of Ubuntu in our rainbow nation.

Loving Classroom:

- Is developed for adoption by school systems and educational ministries.
- Is addressing policy objectives such as to improved mental health, educational performance, creativity, confidence and freeing children from limits and suffering of racism.

Loving Classroom consistently delivers:

- Happiness, wellbeing (Improved mental health).
- Tolerance, understanding and community. (Reduced racism).
- Improved academic performance. (Better grades).
- Meaningful class-projects, benefiting the "Humanity Being" (all of us and nature) and linked to the Sustainable Development Goals (SDGs).

In South Africa, Loving Classroom has benefitted:

**Making a
life-changing
difference**

Loving classroom is:

- A virtues education curriculum with versions for 7-11 and 12-17 year old children.
- Advances learning together, resulting in hands-on confidence to improve their world.
- Through Loving Classroom children experience the virtues of:

RESPECT COMPASSION
LISTENING KINDNESS
GRATITUDE LOVE
FRIENDSHIP CARE

What happens next?

- Of course, we appreciate any further contribution since our income has been delayed by the current pandemic
- Are there organisations who would support/sponsor continued development and scale up of loving classroom in SA.
- How can we access stakeholders and budget holders on the national level to take Loving Classroom to the next level?
- How can we help to bring the blessing of Loving Classroom to the other parts of the continent?
- Can we reimagine our rainbow nation as an exporter of peace and wellbeing for children around the world?

During the pandemic Loving Classroom team has:

- Delivered **6700 food parcels** feeding over **26 000 family members**

OUR VISION

- To act as role model, sharing lessons from the South African experience for the benefit of the children globally.
- To have a sustainable and effective organisation which seeks to provide quality services and empower schools and communities of South Africa to cultivate a lifetime of genuine, caring relationships.
- To Have Positive Relationship Education integrated into the core curricular of educational system throughout South Africa: building a safe, healthy and thriving South Africa.

OUR MISSION

- To ensure that we have informed and trained teachers and students how to resolve conflicts without resorting to violence.
- To have schools that are peaceful and safe for both students, teachers, staff and the community at large.
- To empower teachers, students, our staff members and volunteers to create a conducive environment for teaching and learning in schools via effective positive relationship education.
- To help teachers/students cultivate excellent relationships – in the classroom, throughout the school, at home, for the future workplace, within communities and eventually between nations.
